Tom Walton

Chef

Tom Walton is an accomplished, award winning Chef and Entrepreneur with a passion for fitness and wellbeing. His mission is to help influence the way we eat and buy produce by celebrating and supporting local growers, farmers, and producers.

After many successful years in the kitchen in restaurants throughout Sydney and consulting to venues for their set up, Tom now leverages his creative skill set into content creation for brands and businesses where he helps them tell their story through content creation developing recipes, styling, photography, and cooking demonstrations
